

Muzz Tech Bytes

Storyboard

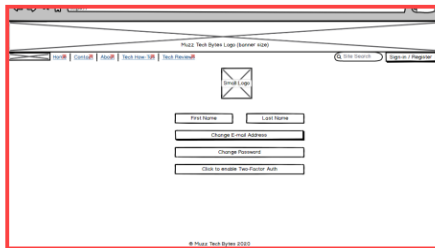

1 Tech Wannabe Willie comes across Muzz Tech Bytes (MTB while doing a Google Search.

2 He decides to create an account to check out the web app's content.

3 After account creation he logs into his new MTB account.

4 Once logged into his account that in his User Profile settings he has the option to enable two-factor auth. Not something he wants to do right now, but he's happy to see it's available.

5 Then he checks out the main content page for the Tech Reviews.

6 After checking out the Tech Reviews he also checks out the Tech Tutorials.
